Our panels "**A Walk Through Time**" tell the story of how life on the Richibucto River has evolved.

And as you pass the **Community Gardens** you will approach the homestead of Rev. James Law and **birthplace of Andrew Bonar Law**, get a guided tour of the homestead. Here you can enjoy a glass of lemonade and a favourite cookie.

See how people in the 1800's whiled away the hours with their fancy handiwork.
